The MLS System that Works Like an Agent

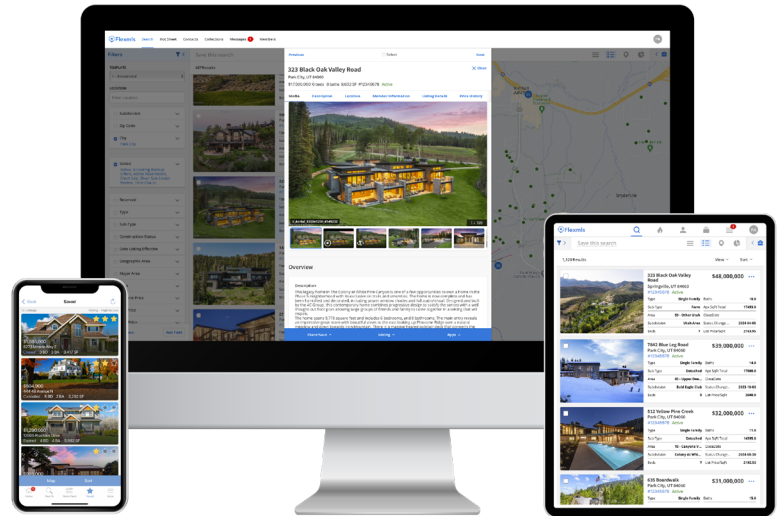

As a real estate professional, your MLS system is critical to your success. With the Flexmls® Platform, you have the benefit of thoughtful technology and the resources to support you along the way.

Created by 100% employee-owned FBS, the Flexmls® Platform gives real estate professionals the autonomy to run their business on their terms.

## The MLS When and Where You Need It

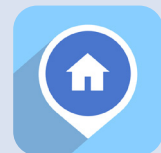

Work quickly and efficiently from anywhere, on any device, using the Flexmls For Real Estate Pros mobile app. Navigating the app couldn't be easier as fields and functionality mimic the desktop experience. Better yet, changes made on the mobile app will automatically be updated on Flexmls Web, and vice versa. Got clients? There's a Flexmls for Homebuyers mobile app, too.

- Intuitive searching and easy-to-use interface consistent across devices
- Quick access to 3rd party resources, on any device, through Single Sign On (SSO)
- Rich insight into Client activity (views, shares, likes, etc.) and messaging from any device
- Secure listing distribution in real time
- Customizable member-level settings enhance daily workflow

Available to your clients  
on Android and iOS.

## Gold-Standard Support & Resources

The support resources available to you make using and learning Flexmls a breeze. Beyond an email or a phone call, FBS provides ongoing webinars and a wealth of online tools so you can master the system at your own pace:

- **Flexmls Academy:** A searchable library full of training videos, flyers, and product updates; no matter your question, this is a great place to start. ([bit.ly/flexmlsacademy](https://bit.ly/flexmlsacademy))
- **Guided Help:** Conveniently located within Flexmls and next to the search bar, the Guided Help walks you through every feature of Flexmls, step by step. ([bit.ly/guidedhelp](https://bit.ly/guidedhelp))
- **Flexmls Help:** Quickly find, research, and answer any questions you have about Flexmls. You can either choose a topic from the featured content section or free type in the search bar. ([bit.ly/flexmlshelp](https://bit.ly/flexmlshelp))
